

MARINE ENGINE PAINT

ETALON MARINE PAINT SPRAY

SUITABLE FOR INBOARD AND OUTBOARD MARINE ENGINES

Specialized colors for painting and refinishing marine engines. These sprays are OEM colors of the most widespread brands of inboard and outboard sea engines.

Thanks to high quality acrylic resins, Etalon Marine sprays have excellent resistance to the contact with oil, fuel, coolants, high temperatures and sea water.

- ✓ Fast drying spray-paints with high resistance to scratches, atmospheric agents and weather conditions
- ✓ Excellent color matching
- ✓ Specifically formulated for the harsh marine environment
- ✓ Ideal for entire outboard and stern drive reconditioning or touch-up
- ✓ For do-it-yourself convenience and professional finish that lasts
- ✓ Can be recoated anytime
